DEMOCRATIC MEETINGS. Nixib Ward Democraric Clab.
There will be ameeting of the Democratic Classic State with the Sixib word at Bork's Halt, on Tourid

oning, beb 11, 1868, at eight e'elech J. M. REAMER, Seer

SUMMAY MORE WAS the CO St. Louis, the mercary sinking wearly to sero. Jone B. Supp., one of the uldert Pulladelphia merchanic, sugged in the Blow Orleans trade-led Sunday evening, aged 74.

streets, Mobile, were burned on busday. Loss \$4 000. Partially meared. Miss Guvenium a ged econtern, was bused to death at Burlington Ut Ponday night, her other tal tay fire from the expression of a kero-ter hasp.

and Grow delegates, were elected to the Niste and Grostopial Conventions The Lance high school building in himsestine,

Kally insured.

A stan bepte onlin Mattuon, life, gosterday morello; in a building compiled by Mitchell Bros., anddiers, destroying it tegether with at a adjoining huildings. Loss \$24 hos. Insured for all don in tillicous companies.

**Apad Asympton of Rebussy is a said that the new foods and a contain an official desirable protein an official desirable part of the Minister of Foreign Affairs and the reports that a wise over insurance between that country and Maxico.

A FARRED named florance Robinson, residing sear Melbourn, in Derbyshare, Saginad, vocently ot the prize at Birminchem, and the Royal Grand Sected Store and magnificent St. t Series Hotel

and that the public interests require that his seek shell be filled by some one capable of opposing the mad and rulates schemes of the that seek statical party, no doubt prompted his resignation. In an doing he has acted with an unselfate apirty and a spil denying particular, which will secure for him the gratitude of his constituents.

During his long suid useful public entering the long suid useful public entering his constituents.

During his long suid useful public entering his dependence of the shall were the respit of user found equal to the duties imposed apon him and his brught to their discharge a strong, clear intellect, a cultivated mind, and a far readying statementh; if a retires from public the full of Logors, well carned, and with anh a lady at the heim, the his Charles always been faithful to any official fursion of the approximation, and that has confided to him, and that he has relived from postific the full of Logors, well carned, and with anh a lady at the heim, the his Charles and kept one received the consciousness that he has always been faithful to any official fursion of the approximation of the above of the saccess of the elegant have and kept one received the consciousness that he has always been faithful to any official fursion of the above of the access of the elegant have and kept one received here.

Mr. Guthrie would have resigned shortly

Mr. Guthrie would have resigned shortly after his return from Washington last summer but for the utgent appeal to the contrary of many triends, in whose judgment be had

AMUSEMENTS.

The Theater. dance last night in witness the f prepentation of the great seasational drams of chady's Child. Mr. Langdon was east for Jo-net rendered famous by Mr. Creawich, in Los a. Miss Davespect had one of those chamber were well cast, and attograther the piece was well but spen the stage. We hope to ane a crowde-house on the second representation of this pia o-morrow wight. Te-night, "Under the Guelight" will be player for the last time this or show.

For the last time time a time.

Dickense (vis).

The entertainments which have been looked for mand to with so much interest by the public commence to night, all Wrisiger Hall, and me sit cerely hape filed a tit house will greet the parformance. The repotation acquired by she into, its the many manifestions given by films heretolore, should be of tizett antictent to draw a wowled house each sight. A greet manifes will be given Wednesday affection of this cricical, for the beautiff of achieve the children and others. We ampect to see the hell filled with others. We expect to see the hell filled not the littly once. Every mother should go as take all the children.

SEATURE AT I SDAN HILL -Owing to the ha Saarusic av t maan Hast.—Owing to the hard wind on honday the few was rough at the park inst aight. When we left the men were busty engaged sooding the pood, and good fee may be expected to-day. The handler muscle hads previous angagement, and could not play at the park. The gan-pipes were trozes, and consequently there was a scarcity allight. This palshap with he rouncided, and we are ensured all will new me on smoothly. Good toe and good meals may be expected to-night, and perhaps this all-bersoon.

Fans Licrons.—Prof. J. W. Benson will be-lure to-night on the Ear and Sound, at the han-lacky School of Modicine, Westiger building, at hall-past seven o'clock. The publicare insued to attend.

OPENING OF THA AT, L'UARLES BUTE!

The large and magnificent St, Chartes Hotel and Cornellary Bulleting and Portland, one of the most specious and elegant in all the special states. The hotel and the most specious and elegant in all its appointments to this section of constry an heat later. A right building in the fiscalite building of the building. The two upper number of the building. The two upper numbers of the found was a consider by high a Chandler, our production merchants, etc., whose stocks were and in med by fire and water. Losses pretty easily building record hand and entered by the first sufficient process and and entered by our all the sufficient process and and entered by our all the sufficient process pretty of the sufficient process and the build opened under the most hoppy aparders. The first wasterness of the most hoppy aparders on out the build opened under the most hoppy aparders. The first wasterness of the most hoppy aparders and the build opened under the most hoppy aparders.

commission merchants, etc. whose stocks were until to pred by fire and water. Looked pretty teasy but aff the deservers were leasted.
